Dear  Mr. Klein:

**RE: A Letter of Recommendation - Marketing Breakthroughs Inc.**

It is with great confidence that I can write this reference letter and recommend your services to your future clients.

**To whom it may concern:** If you are looking for a team who can address your needs on a personal level while delivering the utmost professional package, Steve and his team will exceed in meeting those needs.

The Marketing Breakthroughs team simultaneously worked on two of our projects, and to our delight the finished products were *exceptional!* The Multi Media Presentation and the Marketing Brochure used for our Multi Purpose Complex Fundraising Campaign were both successful tools in assisting the Fundraising Committee as we anticipate exceeding our goal of raising \$425,000.00 in less than four months.

With two successful projects behind us we are now looking forward to working on our third, that being the OSTAR RED Application. We have no doubt that we will be presented with yet another *fantastic* result!

Steve and his team made every effort to ensure the highest level of standard was demonstrated in completing the final product, surpassing all of our expectations. I strongly recommend Marketing Breakthroughs to those businesses/organizations wishing to work with a team who can provide the tools you need to ensure that your project(s) are professionally accomplished.

Should you have any questions, please feel free to call me at any time.
