Dear Steve,

For a few years now, Marketing Breakthroughs has been synonymous with The Hellenic Community of Ottawa, and a loyal supporter of the Gold Plate Dinner. I want to extend a heart-felt "*thank-you*" for your commitment to making the 25th Anniversary Gold Plate Dinner so successful. What a night! The June 8th Gold Plate event was the most ambitious ever, and I am proud to say that this has been our best year yet! I wanted this year's event to be celebrated and new levels of success to be reached. I never imagined that the night would be so successful! A record crowd, the debut of the Live Auction and tremendous sponsors made this milestone memorable.

I am proud of my long time partnership and friendship with you. I look forward to continuing to build a valuable and mutually beneficial relationship for many more years. On behalf of the Hellenic Community of Ottawa, and the University of Ottawa Heart Institute, I would like to extend to you my warmest thanks and appreciation for the planning and execution of this memorable event. Our fundraising goals were achieved because of your generous contribution and commitment to our annual event. Upon entry of the event, "WOW" was the expression heard throughout the event. It truly was the "Red Carpet" event I was hoping for. Your recommendation of the live auction paid off! I am still amazed at the success and money that was raised in 30 minutes. All of the details and time that you spent elevating the GPD to a new and exciting level is so appreciated. Please know how valued you and your MB team are to me and the Hellenic Community of Ottawa.

As you know, exciting plans are underway to mark Gold Plate Dinner's "26th" Year, to be celebrated in June 2011. I look forward to your continued support of this event in the future.

Sincerely,

Steve Ramphos
