To Whom It May Concern:

We have been working with Steve Klein and the Marketing Breakthroughs team for the past three years. They act as our V.P. Marketing and have provided very meaningful input and improvement to our marketing brochures, signs, flyers, and web page. Their assistance has without a doubt improved our marketing and profitability.

We strongly recommend their services to any local business.

Should you have any questions, please feel free to contact the undersigned.

Kindest regards,
